Negro Assaults

Little Girl.

Georgia Baird, the seven-year old daughter of Mr. and Mrs. S. K. Baird, of Thompson station, Clark County, was brutally attacked near her home Sunday, by a negro named Wallace Smothers. The assault was made at a cabin near the child's home, and the negro then escaped and remained in hiding until Tuesday, when he was captured about a mile from the scene by officers from Mt. Sterling. He was placed in Winchester jail, but was later taken to Lexington for safe keeping.

First reports were that the little girl had been very brutally assaulted but this seems not to have been the case, as the parents of the child stated later that it was some two hours after the affair occurred that they learned of it, the child, with another playmate, having eaten supper in the meantime.

After his arrest, the negro had little to say, merely stating that he had not harmed the child, and that he became frightened and ran away when the younger child appeared in the cabin. A special session of the Clark Circuit Court has been called for July 20 to take action on the case.

William Knox.

William Knox, one of the best known citizens of this section, died at his home near Levee, Montgomery county, Monday evening, after an illness of two months with cancer. Mr. Knox was 79 years old and had lived near Levee nearly all his life. He was in the mercantile business for many years retiring a few years ago. He was a man of the highest integrity and sterling character, and his death is deeply regretted. In addition to his wife and five children he is survived by a large number of relatives in this county. The funeral was held Tuesday afternoon, burial being in Mt. Sterling cemetery. Among those who attended from here were Dr. and Mrs. Martin and Mr. and Mrs. F. G. Conlee.

Hon. Claude B. Terrell.

As the primary election is drawing near, the democratic voters of Graves county are beginning to cast about for the most suitable man to nominate for the office of state Treasurer.

Very little attention so far has been paid to this office although an important one, but in the past week or so the name of Hon. Claude B. Terrell of Trimble county, is beginning to become very popular among the democratic voters of Graves county for this important place on the state ticket.

Although Mr. Terrell lives probably 300 miles from here in Trimble county, yet there are hundreds of people in this county who know Mr. Terrell and many more who are familiar with him as an able Democrat and a friend of the great common people.

They know that he has been a member of the legislature perhaps three times and has been elected speaker of the lower house twice without opposition; they know that he was born and educated in Kentucky, that he is a self made man and has always been a tireless worker for the good of the people and the democratic party; they know he is a man of fairness, broadminded and liberal in his views, not only to Democrats, but to Republicans; they know that he is a public-spirited man and that while in the legislature he supported all the measures that had a tendency to benefit the majority of the people; they know that he is a great friend to education and a constant fighter for good roads, good morals and a general uplift in the entire state; they know that besides his legislative duties he is fitted for other important places; they know that for a number of years he has been a member of the board of trustees of the State University at Lexington and that he has taken an active part in the conduct of that great educational institution; they know that if he is nominated and elected to the office of State Treasurer that they can be assured that the affair of that office will be conducted honestly and according to law.

Since these people have become familiar enough with him and his life, they now believe that it is right and proper that his public services should be continued by nominating and electing him to this administration office.

All of these things being true, his friends should not be surprised that he will carry Graves county by a handsome majority. —Mayfield Messenger.

DENTIST COMING.

Dr. E. M. Norton, of Louisville, will be in Clay City July 20, prepared to do dental work of all kinds. Dr. Norton will be here for some time, and may make this place his permanent home.

Mrs. Hoyt Russell spent a few days in Winchester last week, visiting friends and taking in the Chautauqua.

STANTON.

(By P. O. Derthick.)

Miss Mabel Ewen visited her sister, Mrs. Nell Atkinson, of Beattyville, last week.

Miss Lucille Todd returned Saturday from Jackson, where she had been visiting her sister, Mrs. Ben Throckmorton, for several weeks.

The Sunday School Convention program will appear in the next issue, it being unavoidably crowded out this week.

The writer will preach at the Presbyterian church the 4th Sunday of this month, morning and night.

Miss Tennie Derlekson has returned from the hospital at Lexington after a successful operation. It is hoped she will get strong and well now.

There has been several requests made that the fiddlers contest be called off on account of the fear that it will bring an undesired element to the contest and that there would be drinking and other disturbances. So far as the writer is concerned, he will call the contest off.

Prof. Ransom has been appointed County School Supervisor of Powell County and will visit all the schools in the county and look after their needs. He will also act as Truant Officer and report those who are not sending their children to school.

Mrs. Kate Lyle has had her house painted and it adds very much to the looks of her place. Brownlow Thompson has had his house painted also. We are glad to see the houses being painted as it adds greatly to the beauty of Stanton.

Richard Crowe preached two splendid sermons at the Christian Church Sunday. We hear fine words of commendation about Richard's preaching. He will speak at the same place this coming Saturday night and Sunday night, and Rev. J. T. Adams will preach on Sunday morning.

The community of Stanton was greatly shocked to hear of the brutal assault made by a negro named Smothers upon eight year old Georgia Baird of Thompson's Station and daughter of Mr. and Mrs. S. K. Baird. Mrs. Baird is the daughter of John W. Williams of our town. The negro was

Resolution.

(Contributed)

The community was shocked Wednesday morning to learn of the sudden death of Mrs. Fletcher Barnett. She had not been well for some time, but her condition was not thought to be serious and the news of her sudden passing away was a great shock to her many friends. Mrs. Barnett was a well-known and much beloved woman, and was of a cheerful and loving disposition that endeared her to all who knew her. Before her marriage she was Miss Gordo McKinney, a daughter of the late John McKinney, of Hardwick's Creek. Her mother, Mrs. Ellen McKinney, husband, and three small children, two girls and a boy, survive her, as well as a host of relatives and friends.

The funeral took place Thursday afternoon at the Christian church at Hardwick's Creek, Rev. W. P. Fryman formerly pastor of the Methodist church here, conducting the services. The writer has known Mrs. Barnett since girlhood, and knew her to be of a sweet and lovable disposition. She was a homemaker, and when the cares of a growing family began to press heavily upon her she reluctantly gave up to a great extent the church work in which she was so deeply interested. She gave herself to the training of the children God had entrusted to her love and care. God will not forget the prayers of the faithful mother; he will care for and bring to himself the orphan so often committed to his keeping.

To the sorrowing husband we extend our deepest sympathy. May God take into his own loving care the little children that so much need a mother's tender care and guidance.

Therefore be it resolved that the members of the Ladies Aid Society do deplore the sudden passing away of our dear friend and neighbor, and we desire by this means to express to her family the deep sorrow we feel and to extend to them the assurance of our kindest sympathy in their sad bereavement, and that these resolutions be spread upon the records of the Ladies Aid Society of the Methodist church, and that a special copy be sent to the family of our deceased friend and member.

NOTICE TO REPUBLICAN VOTERS.

The Republican voters of the State should go to the primary, August 7th, and vote for men of undoubted integrity and ability for State Auditor, State Treasurer and Secretary of State. These three officials will constitute the Board of Valuation and Assessment, who value all the franchises of the State, and it is very important that they be honest and competent and beyond the control of any corporate or political influences. A board made up of incompetent men would be almost as bad as one made up of political crooks and grafters.

J. M. Perkins of Frankfort is a candidate for Auditor for the Republican nomination and has the personal endorsement of Judge Ed. C. O'Rear, who speaks for his ability and moral efficiency.

Judge O'Rear will of course support the Republican ticket and asks his friends everywhere to choose good men for these positions. Adv

Finds No Remedy Equal To Tanlac

William H. Howard Says He Tried Everything Else Without Help.

Louisville, Ky., July 14.—William H. Howard, who lives at 225 West Jefferson street, here, and is widely known as an advertising man, is one of those who declares he has been greatly benefited by Tanlac, the premier preparation. "For a long time," he said recently, "I suffered from a catarrhal affection of the stomach, and I never have found anything which did me so much good as Tanlac. I had used pretty nearly everything before my friends recommended Tanlac to me. It helped me almost at once, and I am glad to offer public testimony to its value."

Chronic catarrh, which affects the mucus membranes, is one of the most prevalent and distressing maladies known. The trouble is almost universal. Offensive breath, coughing, nervousness, sneezing, headaches, poor digestion, loss of appetite, unsound sleep and susceptibility to colds are among the results from the malady.

Tanlac has proved of special value in the treatment of catarrhal troubles. Hundreds have testified to the good it has done them. It is now being sold in Clay City at Eaton & McGinnes, and in Stanton at Hardwick & Co's.

SLADE.

(Crowded out last week.)

The passenger train was delayed about 2 hours here Thursday morning. Brent Ewen age 15 found a culvert washed out and 6 ties hanging to the rails and barely had time to flag the train. Engineer Carnard seemed to appreciate the boy's deed and said there would have been a loss of lives and a dangerous wreck if it had not been for the quick thinking and acting of the boy. The trackman on section 9 was in sight and Brent started to tell him but the train was too near for him to reach him.

Mr. and Mrs. J. A. Bowen had a family reunion Sunday, July 4, all their children being present. A splendid dinner was served, after which a group picture was taken of the family.

Mrs. Robina Bullock of Lexington is visiting her sister, Mrs. I. H. McDaniel, this week.

Miss Minnie Conyleton has returned home after visiting relatives and friends in Lexington and Estill county.

Miss Lula Garrison of Wolfe county visited her aunt, Mrs. Lucy Ledford, last week.

Miss Ella Congleton is visiting her brother Charley in Oregon and will visit Everett Congleton in California, and go to the exposition while there.

News was received here last week of the death of Mr. Earl Ager of Waddy. Mr. Ager married a Powell county girl Miss Isa Chester of this place. Many of her friends join in sympathy with her in her great bereavement. He leaves a wife and two children and one sister, Mrs. Wythe Chester, of Arkansas, and many relatives near Beattyville.

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst.

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.

ORPHANS' HOME ITEMS.

The superintendent will preach again at Walnut Hill next Sunday, and on the 25th at Clay City in the Presbyterian church.

Mr. Shirmer has been employ-

ed as an efficiency man to look after the property of the Mountain Schools with headquarters at Clay City. He left for Beechwood Seminary at Heidelberg, Ky., Friday and will assist in the building of a dining room. On his way at Beattyville, he aroused so much interest on the part of those men who were looking for a reward that they held for a time the above man in spite of the identification of friends. He says in a letter: "although there were a few characteristic common in both of us, there was nevertheless as much resemblance be-

tween the culprit and myself as between Rover (our dog) and a lion. This letter might reasonably be entitled 'Shoved into Publicity' for I was paraded from one end of the town to the other about five times and incidentally had the pleasure of being introduced to the Mayor and other citizens of prominence. The police force was equally divided on each side of me (one to the right and one to the left) and behind me was the whole male population, for the evening whistle had just blown." We have taken the liberty of quoting the above for the information of the friends of Mr. Shirmer.
